GA. 226/B.

AWARD

Made by the Arbitrator Sri K. Sadasivan, Retired Judge, High Court of Kerala, residing at Padma Nivas, Sreemoolam Road, Kumarapuram.

1. *Background of Facts leading to the Arbitration*:

There have been demands for revision of the terms and conditions of service, of the workmen of the Punalur paper Mills from time to time, which were being settled by bi-partite agreements or conciliation. Exts. M52, 53 & 54 are some such settlements. Exts. M2 the conciliation settlement dated 27-11-1972 is the last of the series and that was in force till the 31st December, 1974. Immediately thereafter the workmen of the Company came forward with their Charter of Demands for revision of wages, allowances and service conditions; which were discussed at conferences of both parties convened by the Labour Commissioner, and finally the Management and the Unions agreed to refer all their disputes and related matters to the Arbitration of the Minister for Labour or an Arbitrator nominated by him. Accordingly Sri P J Cheriyan, Presiding Officer, Labour Court, Quilon was nominated Arbitrator and the parties agreed to refer their disputes to him. Necessary Notification under Section 10A of the Industrial Disputes Act was also issued and published in Kerala Gazette Extraordinary dated 18-8-1976 (Exts. M4A is the notification).

Sri Cheriyan functioned till 30-4 1977 on which date he retired from service. Thereupon the question of finding a successor to him arose. Sri Cheriyan himself wrote Ext. W17 letter to the Government expressing his willingness to function as Arbitrator provided the terms and conditions stated therein were accepted by them. The Government wrote back Ext. W18 letter suggesting variations in some of the conditions which however were not acceptable to him and finally he wrote Ext. W19 letter expressing his inability to take up the assignment.

In the meanwhile, situation in the Mill was getting tense and a conference of the parties was convened by the Labour Commissioner on 14-10-1977 which was attended to by the Ministers for Labour and Health and at that conference the parties agreed to abide by the Arbitration of a retired High Court Judge appointed by the Government. I was accordingly appointed by Order [G O (Rt) No. 22/78/L & H] dated 4-1-1978, under terms and conditions embodied therein. The appointment was followed by Notification under subsection (3) of Section 10A of the Industrial Dispute Act 1947 (Central Act 14 of 1947) dated 16-2-1978. The Arbitration agreement under Rule 7 of the Industrial Disputes Rules was also got executed and published in the same sheet of the Gazette. Ext. M59 (a) the settlement setsforth the terms of the agreement Clauses 3 to 5 therein embody the question referred for the decision of the Arbitrator and they are:—

(1) All outstanding issues already pending before Sri P. J. Cheriyan.

(2) Wages of the period of Lock-out and

(3) Question of Interim Relief to all workmen including casual workers (This question was directed to be decided within a period of one month).

Sittings of the Arbitrator were arranged in the conference Hall of the State Advisory Contract Labour Board, Puthenchanthai, Trivandrum; where the Management of the Mill and the Labour Union appeared through their Advocates :—

For the management : Sri K. V. R. Shenoy of Menon & Pai Cochin.

For Workers Union . Sri T. L. Johnson.

For Labour Congress : Sri K. Sukumaran Nair.

For Staff Union : M/s P. Narayanan Nair & Wilfred Sebastian.

Security Guard's Association : T. L. Johnson.

Employees Union : Sri P. Balagangadhara Menon and
Sri N. Sreekantan Nair, M. P.
(President of the Union).

Staff Association : Sri David Koshy.

Regular sittings of the Arbitrator started on 18-3-1978 and continued till 27-9-1978 with intervals. As the duration of the Arbitration was fixed in the settlement to be three months from 16-2-1978 (the date of the Notification) the period had to be extended twice on joint request made by the parties. From 16-5-1978 the period was extended by three months to 16-8-1978 and from that date by 2 months to 16-10-1978. The agreement of the parties praying for extension was duly notified also in the Kerala Gazette.

The question of Interim Relief was taken up first and an award was passed by me on 7-4-1978 granting Rs. 50 per month as an interim measure to all employees (including casual workers) to take effect from 1-2-1978. The award was accepted by the parties and it was published in Kerala Gazette No. 18 dated 2nd May 1978. On the other questions namely, Lock-out wages and issues which were pending before Sri. P. J. Cheriyan, evidence was taken and arguments heard in detail. On the side of the workmen WW1 to WW21 were examined and Exts. W (1) to W112 (a) marked and for the management MW1 to MW6 were examined and Exts. M1 to M79 marked. The trial came to a close on the forenoon of 27-9-1978.

THE AWARD

1. Wages for the period of Lock-out:

Lock out was declared by the management in pursuance of Ext. M5 notice; with effect from 21st May 1977. Reasons justifying the lock-out were given in an earlier notice M3 dated 18-5-1977. The casual workers of the mill numbering about 400 were on strike from 13-5-1977 and in Ext. M3 it was stated that the striking workmen had resorted to violence; gate-crashed and assaulted the watchmen at the gate, caught hold of some senior Officers and assaulted them also, and forcibly took them out side the gate and made them appologise over the mike and due to the man-handling,

one Engineer Ramachandran fainted etc. etc. Police men were looking on without moving their little finger to restore peace. The management in the circumstances was constrained to stop the operations of the Mill except essential services like water supply, power, security etc.

These averments according to the workmen are all false, and cooked up with a view to give a legal garb to the Lock-out which was otherwise illegal. The management on the other hand would urge that the strike was illegal from its very start and the violence let loose by the strikers had made it imposible for the Mill to function.

The Supreme Court observed in 1963 (1) *L. L. J. 122.* that "in a case where the strike is unjustified and the Lock-out is justified the concerned workmen would not be entitled to any wages at all, for the period of strike and lock-out. Similarly where the strike is justified and lock-out is unjustified, the workmen would be entitled to the entire wages for the period of strike and lock-out; where however the strike is unjustified and is followed by a lock-out which becomes unjustified (on account of its unreasonably long duration) a case of apportionment of blame between the employer and the workmen arises". Bearing in mind the above principle let me examine the legal aspects of the strike and Lock-out in the present instance. The strike as already indicated was proclaimed from 13-5-1977. On 11-5-1977 the President of the Employees Union delivered at the Office of the Managing Director, a resolution passed at their meeting that day, in the evening expressing their intension to strike in case the management failed to take back all dismissed workers and confirm all casual workers, who had put in over 3 months' service. The management was given 24 hours time to comply with these demands. The management failed to comply and consequently the workers (casual workers only) struck work from 13-5-1977.

The validity and justifiability of the strike is attacked from two angles, firstly that the strike was proclaimed during the pendency of Arbitration Proceedings before an Arbitrator, and secondly that at that time a settlement was in operation. [Sec. 23 (bb) and (c) of the Industrial Disputes Act].

On the 1st ground the contention is that Sri P. J. Cheriyan's Arbitration was pending at that time. But in fact that Arbitration Proceedings had become defunct by his retirement on superannuation from 30-4-1977. The Arbitrator appointed was "*Sri P. J. Cheriyan*" *Presiding Officer, Labour Court, Quilon*, vide Ext. M4 (a) dated 19-8-1976, and not Sri P. J. Cheriyan solely in his personal capacity. In other words, Sri Cheriyan's status as Presiding Officer Labour Court must also be presumed to have weighed with the Government in prefering him and when that status had become extinct the Government necessarily had to review the position and make a fresh appointment. Sri Cheriyan's claims and suitability to the post were also considered by the Government in choosing the candidate for the post. After 30-4-1977 we have before us only *Sri P. J. Cheriyan, Geethavan, University Road, Trivandrum* and not Sri P. J. Cheriyan, Presiding Officer, Labour Court. Sri Cheriyan himself was aware of this changed position, more than anybody else as is evident from his letter W17, bolstering his preference to the post.

He wrote, "since the parties to the dispute have indicated their strong preference to my continuance as Arbitrator I hereby give my consent for the same, provided certain conditions are agreed to....... ". It is significant that it was felt by him that he had to give his consent a fresh as the consent given at the time of his appointment on 18-8-1976 was no longer alive. The terms and conditions suggested by him were examined by the Government and found unacceptable and accordingly the idea of re-appointing him was abandoned once for all. I find under the above circumstances, that no Arbitration Proceedings were pending before an Arbitrator on 13-5-1977 when the strike was declared.

But on the 2nd point, I should think that the strike was illegal and unjustified. Ext. M11 is a settlement dated 29-4-1977 arrived at between the Management and the Paper Mills Employees Union which was in operation at the time when the strike was declared. Under this settlement, 15 casual workmen were taken back and in respect of 5 casuals and six dismissed workmen the Management agreed to consider their case within one month. Before the expiry of one month stipulated in the settlement, the strike was declared. I see no force in the contention that in regard to the 5 casuals and six workmen there was only a postponement of the settlement, and postponement of settlement is no settlement in the eye of law. The settlement has two parts; Part (1) deals with the 15 casual workmen and Part (ii) with the five casuals and 6 dismissed workmen. It is idle to contend that Part (ii) is no part of the settlement. The Union in the circumstances should in fairness have waited for the remaining period to expire before launching on such a hazardous step [see also sec. 19 (2) of the Act]. As observed by the Supreme Court "while on the one hand it has to be remembered that strike is a legitimate and sometimes unavoidable weapon in the hands of labour, it is equally important to remember that indiscriminate and hasty use of this weapon should not be encouraged". [1969 (ii) *L. L. J.* 243]. I have no hestitation to hold that the Union was unreasonably heasty and indiscriminate in using the weapon of strike against the Management.

But this conduct on the part of the Union will not absolve the Management of indiscretion if any, on their part in declaring the lock-out. A clsoe scrutiny of the circumstances leading to the lock-out has convinced me that the lock-out was uncalled for and unreasonably prolonged. In the 1st place, only a few casual workers struck work. Casuals according to the Management are surplus hands. A strike by such workers could only be innocuous and not going to paralyse the working of the Mill. Ext. W14 is a newspaper publication dated 26-5-1977 issued by the Management explaining the circumstances leading to the strike and assessing its impact on the working of the Mill. It says "Out of the 7 Unions of Punalur Paper Mills the Major two are controlled by A.I.T.U.C. and I.N.T.U.C.. The A.I.T.U.C. leader joined Kerala Cabinet as Health Minister recently, while the I.N.T.U.C. leader was hospitalized in New Delhi

following a heart attack on 5th May. Taking advantage of this situation, the Employee's Union which has a membership of less than 20 as per management's and Government's information, selected a new President who had nothing to do with Trade Union activities at Punalur during the last few years at least. This union served an ultimatum on the Management on 9th May demanding reinstatement of 6 workers dismissed for violence last year and making permanent all casual workers within 24 hours failing this direct action was threatened. Casual and temporary workers went on strike from 12th May. Realising that the strike was completely ineffective, some casual workers and local rowdies beat up the gate-keepers on 18th May, 1977, entered the Mill and assaulted 13 Officers ....On 24th May 1977 Sri L. N Dalmia, Chairman and Managing Director attended a conference .. ..As Sri Dalmia was coming out of the conference he was assaulted and an attempt was made to kidnap him in a car. This happened in the Government Secretariat in the presence of the Policemen ... .Before reopening the Mill the Management wants action to be taken by the Police against the culprits involved in the incidents of 18th and 24th May which has not been done so far. In Punalur Paper Mills actually there is no labour dispute as such.... ......It is the zeal of the one Union to snatch control from other Unions which is the only dispute. It has been aggravated by the protection of culprits by the authorities against the process of Law. Till this continues the Mill will remain closed; the Government will lose revene of Rs. 13 lakhs every month and 1100 permanent employees and 4000 workers employed by the contractors in forest will suffer".

The above statement would give us the impression that strike was not viewed seriously by the Management, and that it was ineffective. The case of the Management that the permanent workmen who had reported for duty were prevented by force and coercion from attending to their work is not supported by evidence. Admittedly there were violent scenes only on 18-5-1977. Both before and after that date the strike was peaceful. To prove the incidents on the 18th May MWs 5 & 6 were examined, MW 5 is one Kozhy who was in charge of the Pulp Mill at the time. He has stated that he was sorrounded by some work men . and asked to appologise over the Mike. On the way to the Mike he was . fisted from behind. He did not report to the Office or to the Police about the fisting. The police however went to him in his residence and recorded his statement. He was unable to identify or even mention by name any of his assailents. He stated that he was examined by the Company Doctor and later by Dr. Mathew Roy of the Trivandrum Medical College Hospital. But neither of them has been cited to support him. Over and above these infirmities in his evidence, he is proved to be one particularly in the good books of the Company. He was having a side-business-paper convertion business-with the help and blessings of the Management. His intergrity was once suspected and he even had offered to resign, but the Company did not permit him to do so. He is thus indebted to the Company. MW6 is the Materials Manager of the Company and a newphew of the

Managing Director. His case is that he was stopped at the gate on 18-5-1977 and asked to carry his chappels on his head and shout slogans over the Mike. He was also fisted from behind. He too was unable to identify or referby name any of his assailents. He also did not make any complaint. Police went and recorded his statement from his residence. No body-mahazar or wound certificate is produced in respect of either of these witnesses. Cases were charged before the Magistrate before whom both these persons were examined for the prosecution. But their evidence did not carry conviction with the Magistrate and the cases were thrown out. Learned Counsel Shri Shenoy argues that eventhough the cases had ended in acquittal, it is no pointer to show that the occurrence as alleged did not take place. I am unable to agree with the learned Counsel. It is not enough that violence on the part of the strikers is alleged· but they must be substantiated by cogent and acceptable evidence. The Management must further show that as a result of such violence and misconduct. no option was left to them. but to declare a lock-out. There is no case that the violence and misdemeanour on the part of the workmen were such as to endanger the lives of loyal workmen and officers of the Company. Mere utterance of threatening slogans and even war-cry provides no ground for lock-out, especially when majority of the workmen were ready and willing to work and as a matter of fact were working unperturbed. The workmen have a case that the lock-out was a ruse to coerce the Government into sanctioning more and more raw materials for the working of the Mill. This allegation is not wholly unfounded. On 1-6-1977 while the lock-out was in progress the Management applied to the Government for sanction to close down the Mill for "non-availability of adequate raw materials, violence by striking workers and consequent lawlessness etc." Sanction for closure was refused by the Government. It is significant to note that in the notice for closure the foremost ground urged was non-availability of adequate raw materials and not the violence and lawlessness of striking workmen. Even though normalcy was restored the Management was not prepared to lift the lock-out. The lock-out was lifted only from 3rd October, 1977 as is evident from Ext. M9 notice. In Ext. W14 the Management was insistent that proper action should be taken against culprits involved in the incidents of 18th and 24th May as a condition precedent to lifting the locking out. This attitude is vindictive and not in the interests of the Company. The culprits of the incidents on the 24th before the Secretariat as has come out in evidence were the workmen of Gir-Vonala and Go Cochin which is another Company owned by Sri Dalmia It is thus clear that the strike was not the main factor that led to the lock-out. So even though the strike is dubbed illegal the Management cannot escape the consequences of an unjustified and unrighteous lock-out. I would therefore conclude that the Management is liable for lockout wages. But in view of the illegal strike resorted to by the workmen they will not be justified in claiming full wages for the period. To mete out justice between the parties I would direct the Management to pay the workmen 1/10th of their total emoluments for the period between 21-5-1977 and 2-10-1977 both days inclusive.

2. Revision of Wages :

Before I take up this question for consideration, certain doubts centering round "the term of reference" have to be cleared. It is argued for the Management, that I should confine myself only to the "issues" framed by Sri P. J. Cheriyan and should not travel beyond that strictly speaking no issues as such were framed by Sri P. J. Cheriyan. Some issues were suggested for the Management to which Sri Cheriyan simply affixed his stamp of approval, adding of course two more of his own. Matters of dispute before Sri Cheriyan were "All disputes between the Management and Union of Punalur Paper Mill pending conciliation" (vide Ext. M4 (a). The matters referred to for my decision are, "All outstanding issues already pending before Sri P. J. Cheriyan, Arbitrator (vide Ext. M59 (a). From this it is clear that all disputes between the Management and the Unions which were referred to Sri Cheriyan for his decision are available to me for my decision also, not withstanding the fact that some specific issues were framed by him for his convenience or as suggested to him by the Management. The word "Issues" mentioned in M59 (a) need not be construed to mean "Issues" framed in the course of the enquiry before him". "Disputes between the parties" should be understood to mean all pending disputes between the parties. All those disputes are therefore available for my decision.

There cannot be any doubt that the scales of pay prevalent in the Mills call for revision. The existing pay scales drawn up under Ext. M2 settlement dated 27-11-1972. That settlement ceased to be operative after 31-12-1974. On the expiry of the settlement the workmen put forward their claims for revision of the payscales. The factors that should weigh with the Authority launching on a wage revision are :—

(1) Natural and just claim of employees for a fair and higher wages.

(2) The financial capacity of the employer to bear the burden of a revision.

(3) Legitimate desire of the Employer to make a reasonable profit, and

(4) Rise in price structure which may result from the fixation of wage structure and the reasonableness of the additional burden which may be imposed on the consumer by the wage structure.

On an overall consideration of the question with the above criteria in mind, I am convinced that the pay scales of the workmen call for an upward revision to take effect from 1-1-1975.

The Punalur Paper Mills was controlled and managed by A. & F Harvey Ltd. till 1967. The present Management purchased the Controlling Shares for Rs. 25 lakhs in 1968. From the Balance sheet for the year 1967 it could be gathered that the Company was being run at a loss. But since it was takenover by the present Management the financial position of the Company improved as is evident from Ext. W1 the Report and Accounts of the Company for the year 1968 itself. The previous loss was recouped and stability was restored. On the eve of the present Management assuming

control over the Company an assurance was given by the Management Sri L. N. Dalmia to the workers to the effect that the change would not affect their service conditions in any way and the agreement entered into with their Association would be fully honoured and implemented by the Company. That assurance is contained in Ext. W. 24 dated 21-3-1968. The question is whether the assurance given in Ext. W24 has been carried out, and if so to what extent.

On the expiry of Ext. M2 settlement it was incumbent on the Management to consider the demands of the workmen and effect another settlement on 1-1-1975 or there about. But the Company was dodging all these years, plunging the workmen in despondency and despair. From the year 1972 to 1977 the Company has been making profits uninterruptedly. Report and Accounts for 1974-75 shows that the profits had reached the peak figure of Rs. 1,64,40,799. Still the Company showed little inclination for revision of wages which by that time was long over-due. The Supreme Court has observed in *1972 (1) LLJ 576 that* "in considering a revision of wage-structure what is to be taken into account is not the net profit but gross profits without any deductions made for taxation, depreciation, and development rebate." From the statement filed by the Management on 27-9-1978 it is seen that in 1972 the gross profit was 28.22 lakhs; in 1973 22.99 lakhs; in 1974-75 123.53 lakhs, in 1976 69.24 lakhs and in 1977 55.83 lakhs. In 1978 however the Company sustained a loss of Rs. 22.40 lakhs. This loss occurred due, as is stated in the Director's Report to the reduction in production and sales, for 5 months during which the workmen's strike was in progress and also due to non-availability of adequate raw materials. The long term agreement for supply of raw materials with Kerala Government could not be finalised. At the same time "the Company had the where-withal to import 2200 tonnes of wood-pulp from Canada and procure a license for the further import of wood-pulp up to the value of Rs. 3 crores. The Company also proposes to set up a Paper Mill in the state of Himachal Pradesh. The feasibility of setting up cement manufacturing Unit is also under consideration. In these circumstances it is wrong to presume that the Company is under financial strain as is sought to be depicted. On 1-1-1975 when a pay revision was legally due the Company was at the height of its prosperity. I have examined the existing pay scales in comparison with other concerns almost of a similar nature. Industry-cum-region is of course the normal rule to be adopted in making the comparison. But unfortunately for us, the Punalur Paper Mills is the only concern, of its kind in the whole of Kerala. One other Paper Mill is taking shape in Velloor, Kottayam District. But that is not available for comparison since it is only in the stage of formation. In this situation, other concerns near about the place can justifiably be compared with the Punalur Paper Mills if they come someway near it in point of investment, turn over, labour strength, and the nature of the industry carried on. The Aluminium Industry Ltd., Kundara Ext. W6, is an Industry which I think can favourably be compared, of course not on all fours with the Punalur Paper Mill. This Industry is located in Kundara about 20 miles from

Punalur. The living conditions obtaining in these two places are almost similar, with the exception possibly that Kundara lies within a Panchayat, while Punalur is situated in a Municipal area. Cost of living in a Municipality is normally higher than in a Panchayat and viewed in this perspective, it must be said that labour should be costlier in Punalur than in Kundara. On the side of the Management the wage condition obtaining in Travancore Plywood Ltd. Punalur was relied on. But in my view this Industry cannot favourably be compared with Punalur Paper Mills, in point of investment, turn over, and strength of workmen etc. Other Industries relied on by the Management are Industries located in other States like Mysore and Tamilnadu which do not come under the category of Industry-cum-region. About the service condition of casual workmen in the Punalur Paper Mills, the District Labour Officer, Quilon in his report Ext. M16, would observe "there are about 400 casual workers in the factory with service varying between 1 to 8 years. These casual workers are engaged in work of a permanent nature in the factory. Despite the long years of service put in by them in permanent jobs, they are still treated as casuals. These workers are also low paid. The wage rates vary between Rs. 3.50 to Rs. 5.50 per day. But the majority of the casual labours receive only Rs. 4.00. Only skilled casual labourer gets Rs. 5.00. No where in Kerala except in Punalur Paper Mills exists such deplorable wage rates as far as workers in organised industry is concerned". The fact cannot be doubted that there has been rise in the wage structure in other comparable Industries in the region. In all fairness therefore the wage scales in the Punalur Paper Mills which was drawn up as early as on 27-11-1972 have to be revised so that it may fit in with the existing condition prevailing in the region. Taking into consideration all the relevant facts and circumstances I have effected a revision as detailed in Annexure 'A' of this Award.

3. Other Issues

(a) *Promotion:*—This issue centers round the claims of one P. R. Ananthakrishnan, to the post of Cashier. When Govinda Pillai Cashier retired on 1-1-1966 one Sankara Warrier was Assistant Cashier and he was promoted as Cashier. Ananthakrishnan was at that time assisting Sankara Warrier and on one occasion when Sankara Warrier went on leave Ananthakrishnan was asked to take charge as Cashier (vide Ext. W23). But when Sankara Warrier retired, instead of promoting Ananthakrishnan to the post of Cashier, a new hand was posted. The Union now complains that this is irregular and the present incumbent should be sent away and in his place An nthakrishnan should be posted. The Supreme Court has ruled in *1963 (1) LLJ 256 and 1966 I LLJ 402 that* "there could be no doubt that promotion to which indus rial Employees are entitled normally would be treated as the function of the management. It must be left to the discretion of the management to select persons for promotion. The Industrial Tribunal in such cases could not direct promotion of any particular employee but should direct the Management to consider the question of promotion afresh". This is normally the case in the absence of *mala fides*.

In the present instance no *mala fide* is alleged or proved. I therefore abstain from interfering in the matter. I would however advise the Management to reconsider the question and take appropriate decision.

(*b*) *Appointment of dependants of Employees*:—This is also a matter solely within the discretion of the Management.

(*c*) *Re-instatement of Miss Kamaruniza*:—This lady was a learner in the Accounts Department of the Mill. She was denied employment with effect from 30-5-1975. Under her Order of appointment she was entitled to continue for 3 years from 22-3-1974. She is the daughter of one Sulaiman a Peon in the Mills with 40 years of service. He is due to retire within an year or so. Along with her, 6 other candidates who are also dependants of the employees of the Company had been appointed as learners. As a sequel to a rub with the staff Association the Company terminated the services of all these learners which led to an Industrial dispute culminating in the conciliation settlement dated 1-7-1975. Under the settlement the Management agreed to review the case of the learners who were dependants of the employees of the Company. Accordingly all the learners except Kamaruniza were reinstated. The Management has not given any valid reason for such a discriminative treatment against Kamaruniza. In the circumstances, I am inclimed to think that the action of the Management is *mala fide* and I direct the Management to re-instate Kamaruniza.

(d) *Canteen*:—Lot of discontentment prevails among the workers regard. ing the way in which the Canteen is run; want of accommodation in the dining hall, unhygenic condition prevailing there, and the insufficiency of the items served etc. I leave the question to the Management. Better that the Management of the Canteen is left to the Unions on the strength of adequate subsidy from the Mill.

(e) *Confirmation of Casual Workers*:—Casual workers number about 400. The hard lot of these people has already been adverted to basing on the report of the District Labour Officer, Quilon. He has stated in his report that workers with a standing up to 8 years are there among them. This is an unsatisfactory state of things. not at all conducive to the smooth and peaceful working of the Company. I would therefore, direct the Management in the interests of the Industry and with a view to ensure peaceful relationship between the employer and employee, to make permanent all casuals who have put in a minimum service of 3 years

(f) *Change of Office time*:—The Office time was fixed in 1956 under Ext. W. 68 letter dated 11th October 1956. The letter was issued from the Office of the Punalur Paper Mills to the Secretary Paper Mills Staff Association. It is seen from W. 68 that the Office time was fixed as 9 a.m. to 1 p.m. and 2 p.m. to 5 p.m. with half a day off on Saturdays. The concession of half a day on Saturday was however not applicable to Tapal Peons and Reeds Coupe Supervisor and Clerk. The Tapal peon being on shift duty could avail himself of this concession while not on Tapal duty. In the case of the Reeds Coup Supervisor and Clerk also the concession could be availed of

according to rotation. This arrangement is now changed. Now the Office time is from 8 a. m. to 12 noon and 1 p. m. to 5 p. m. with no half day concession on Saturdays. The grievance of the workers is that this change was effected unilaterally and in violation of Section 9A of the Act. For the Management it is contented that the change in Office time will affect only persons appointed after the change and in the case of the others the old arrangement would continue. Two types of working hours prevailing in one and the same establishment is not advisable, and in my opinion will only lead to discontentment and confusion. The Management therefore will issue notice as contemplated in Section 9A, hear the affected parties and take a just and equitable decision.

(g) *Leave benefits and holidays:*—These are matters coming under legislative enactments like Factories Act ESI Act etc. They are also covered by agreements "between the employer and employees". The contention of the Union is that there were certain customary benefits which have now been withdrawn. 3 months full pay preparatory to retirement, Ex gratia payment, encashment of unavailed leave etc. are stated to be some of the customary benefits which they were getting. WW7 is Mr. V. Krishna Iyer who was a clerk in the Accounts Section of the Mills. He retired on 4-12-1974. He swears that he was benefited by all these concessions; but he is not sure whether these concessions are extended to the staff of any other concern in Kerala. According to him there was an understanding in 1954 between Mr. C.M. Stephen (for the workers) and Mr. Frische for the Management to the effect that these concessions should be extended to all the workers. It is on the basis of this understanding that the claim is now put forward by the Unions. But there is no evidence before me throwing any light on the said understanding between the representatives of the workers Union and the Management. The Management however will do well to frame a uniform Code of retirement benefits similar to the benefits obtaining in other concerns in this regard.

(h) *Providing Chairs and Tables to the Supervisory Staff and Peons.*—This matter was brought to my notice at the time I inspected the factory. It is highly essential that Chairs and Tables are provided for the Supervisory staff, and chair or stool to Peons on duty hours.

I think I have covered all disputes between the Management and the Unions referred for my decision and pressed before me. On a careful consideration of the evidence oral and documentary and the arguments addressed by both parties, I make my Award in the following terms:—

I. The Management shall pay the workmen towards lock-out wages (1/10) (One-tenth) of the total emoluments they were entitled to draw in the existing scale for the period between 21-5-1977 and 2-10-1977 (both days inclusive).

II. The wage structure of the workmen is revised as shown in Annexure A to this award, and the revised scales will retrospectively come into operation from the 1st day of January 1975.

III. Miss. Kamarunniza, learner will be reinstated and allowed to complete the period of her training under the terms and conditions of her order of appointment.

IV. All Casual workers who have put in a minimum service of 3 years will be made permanent.

V. The Management will provide Chairs and Tables to the Supervisory Staff, and Chair or Stool to Peons for their use during duty hours.

VI. Out of the accumulated arrears due to the workmen under items I & II above, the Management is allowed to deduct the amounts disbursed under the Interim award dated 7-4-1978 and pay the balance.

VII. The costs incurred in these Proceedings will be borne by the respective parties.

Dated this the 9th day of October 1978.

Padmanivas, Kumarapuram,
Trivandrum.

K. Sadasivan,
Arbitrator.

Ref. No. 20/77-78. *Dated, 3rd January* 1978.

Shri P. V. Gunishastri
Chief Executive Officer,
Cement Manufacturers' Association,
Express Buildings,
Opposite to Church Gate Rly. Station,
Bombay-400020.

Dear Sir,

Sub:—Reference to Arbitration Board for Cement Industry regarding A.I.C.W.F. Charter of Demands.

You are aware that the Affiliated Unions of All India Cement workers' Federation (A.I.T.U.C.) have submitted Charter of Demands to the Managements of several Cement Units in the country. These Demands are pertaining to revision of wage Structure enhancement of D. A. and H.R.A. etc. There are now 30 issues in the Charter of Demands. We had requested the Arbitration Board for Cement Industry to see that these Demands are also taken up along with the Demands submitted by the Indian National Cement and Allied Workers Federation (I.N.T.U.C.) etc. We also note that in your written statement to the Board submitted on 1-12-1977, you have referred to our Charter of Demands, the Telegrams sent by some of our Unions demanding Interim Relief as well as inclusion of our Charter of Demands for Arbitration etc. You have further stated in your written statement that "in view of the Charter of Demands aforesaid and the other Charter of Demands which are expected to follow from the Union affiliated to AICWF and other Unions having their field of activities at the various Cement Workers, it is necessary that a meeting of the Arbitration Board be held specially to consider the situation arising out of the Charter of Demands by the Unions other that those represented by the Federation which is a party to the Arbitration agreement. The C. M. A. submits that these Unions which have raised Charter of Demands (including in some cases additional demands) be required to first submit their statement in support of Demands like the Federation and the C. M. A. should then be directed to file their rejoinder separately to their statements" (Page 5. para 1. 1. 5).

Despite this representation made by us, as well as the proposals made by you, the Board has not yet given any directives for inclusion of our Charter of Demands and for filing your rejoinder etc., to our Claim statement. On the other hand, the Board has told us during its recent sittings at Bombay on 26th & 27th December 1977, that legally they are bound by the reference that has been made by the Government in accordance with the arbitration agreement dated 14th September, 1977.

In view of the above, it would be extremely difficult for us to present our view points on our Charter of Demands before the Arbitration Board for Cement Industry.

The All India Cement Worker's Federation has its Unions in 22 units of Cement Industry and represents a substantial number of Cement Workers. If their Demands are not taken up into consideration by the Arbitration Board, it would be gross injustice to the workers whom we represented. Because of this portion, the workers in the Cement Industry whom we represent are very much agitated and are thinking of launching a strike in the immediate feature in order to press their Demands.

We would like to submit that the only way to resolve the situation in a peaceful manner is to see that the C. M. A. and our Federation make a joint application to the Government of India to refer our Demands to a Board of Arbitration under Sec. 10 A of the I. D. Act, 1947.

We would request you to accept this proposal and see that a joint application is made to the Government of India under Sec. 10 A of the I. D. Act, to refer our dispute to the same Arbitration Board which has already been constituted, but including two more members, one from the A.I.C.W.F. and another C. M. A.

You will appreciate that his will meet the ends of justice. We request you to let us know your opinion before 8th of this month. If, however, we don't receive any reply, we will be forced to take recourse to Strike action. We hope you will accept our suggestion and avoid marring Industrial relations.

Thanking you,

Yours faithfully,
for All India Cement Workers Federation.

By order of the Governor,
S. PADMAKUMAR,
Special Secretary.

[P.T.O.]

Explanatory Note

(This does not form part of the notification but is intended to indicate its general purport).

In the Special Rules for the Kerala Revenue Subordinate Service (for Deputy Tahsildars) and for the Kerala Revenue Service (for Tahsildars) issued by Government in the G. O. (P) 529/Rev. dated 25-5-1974, Survey Test (Higher) is made compulsory only with effect from 1-1-1974. Survey Test (Higher) is prescribed as a qualification for appointment by transfer to the post of Deputy Collector and there is provision giving temporary exemption for a period of 4 years from the date of issue of the Rules to those who were in service on the date of issue of the Kerala Civil Service (Executive) Special Rules, and who had passed the Chain Survey Test. Even after the expiry of the period of temporary exemption, some of the Tahsildars, who did not possess the Higher Survey Test qualification were promoted regularly to the cadre of Deputy Collector, as they could not be sent for the training earlier for various administrative reasons. So if the existing rules are strictly followed all such appointments will have to be reviewed. This notification aims at overcoming the above anomalous situation and to mete out greater measure of justice in the matter of promotion to the cadre of Deputy Collector.

ORDER

G.O. RT. No. 684/78/TD. *Dated, Trivandrum, 3rd October* 1978

S.R.O.No. 1096/78.—In exercise of the powers conferred by clause (a) of subsection (1) of section 9 of the Kerala Stamp Act, 1959 (17 of 1959), the Government of Kerala being of opinion that it is necessary in the public interest so to do hereby remit the duty with which document No 696 of 1973 of Book I, registered in the Sub-Registry Office, Trithala, executed by the District Collector, Palghat, representing the Governor of Kerala for the re-conveyance of the land and premises situated in the Kottapadam Desom, Mala Amsom, Pattithara Village, in the registration Sub-District of Trithala, in the registration District of Palghat and commonly called Athanikkal Paramba and bounded on the north by Athanikkal Paramba Sy. No 143, on the south by Vadakkekkara Paramba Sy. No. 141/1, on the east by Kizhakkekara Kunnu Paramba Sy. No. 141/1-143 bearing re-survey Nos. 141/1 part (3 acres 12 cents) and 143 part (5 acres and 18 cents) and counting on the whole 0.8094 Hectare (2 acres), cancelling the document No. 1150 of 1972 of Book I Volume I of the said Sub Registry Office and in consideration of the release of obligation for the payment of Rs. 2,400 covenanted by the latter document, is chargeable under the said Act.

By order of the Governor,
G. P. Nair,
Secretary.

Explanatory Note

(This does not form part of the order but is intended to indicate its general purport).

In the course of implementation of the one lakh Housing Scheme the District Collector, Palghat representing the Governor of Kerala has executed a document styled as a deed of cancellation of an earlier sale deed on 2-5-1973 and this was registered as document No. 696 of 1973 of Book I of Sub Registry Office, Trithala. The above document considered as a cancellation deed executed by Government was drawn on plain paper as it was thought that it was exempted from payment of stamp

duty under section 3 (b) (1) of the Kerala Stamp Act. But later, at the time of inspection of the Sub Registry Office by the District Registrar, Palghat the document was scrutinised and it was found that the document was rightly classifiable as a reconveyance deed relating to properties having a consideration of Rs. 2,400 and that the liability of payment of stamp duty of the document was with the grantee and not on the executant as per section 30 (b) of the Kerala Stamp Act. As the original deed of conveyance in favour of the Governor of Kerala and the subsequent deed of reconveyance were executed in the context of implementing the one lakh Housing Scheme without any benefit to the grantee in respect of the reconveyance deed there is no justification to demand stamp duty from that grantee With a view to give legal validity to the reconveyance deed without realisation of stamp duty Government propose to remit the stamp duty payable on the same. The above order is intended to achieve this object.

NOTIFICATION

G. O. Rt. 1680/78/RD. *Dated, Trivandrum, 21st November,* 1978.

S R. O. No.1097 /78.—In exercise of the powers conferred by clause (o) of subsection (2) of section 100 of the Madras Hindu Religious and Charitable Endowments Act, 1951 (Madras Act XIX of 1951), the Government of Kerala hereby make the following amendm nt to the rules relating to the meth od of calculating the income of a reli ious institution for the purpose of levying contribution and the rate at which it shall be levied, published under G. O. No. 2509-Revenue dated the 11th August, 1955, of the Government of the former State of Madras at pages 313 to 315 of the Rules Supplement to Part I of the Fort St. George Gazette, dated the 24th August, 1955, the same having been previously published as required by subsection (3) of the said section.

AMENDMENT

In the said rules, in sub-rule (2) of rule 1, after item (e), the following item shall be inserted, namely :—

"(ee) expenditure incurred in accordance with the custom or usage of the religious institution to provide tea, meals or accommodation for the devotees not exceeding 30% of the income from vazhivadus received at the vazhivadu counter of the religious institution and the cost incurred for giving nirmalyam and prasadam to the devotees."

By order of the Governor,
S. PADMAKUMAR,
Special Secretary.

Explanatory Note

The rules issued under section 100 (2) (o) of the Madras Hindu Religious and Charitable Endowment Act, 1951 lay down the procedure to be adopted in calculating the assessable income of the religious institutions under the Madras Hindu Religious and Charitable Endowment Act. At present there is no provision in the rules to exclude the expenditure incurred in accordance with the customs or usage of the religious institutions to provide tea, meal or accommodation for the devotees and the cost incurred for giving nirmalyam and prasadam to the devotees. It has been decided that the temples which incur expenditure for giving such facilities to the devotees should be given some concessions by way of deduction of a certain percentage of such expenditure while calculating assessable income. The amendment is intended to achieve the above purpose.

Read:—1. G.O. (MS) No. 31/76/Food dated 27-11-1976.
2. G.O. (MS) No. 299/78/GAD dated 23-6-1978.
3 Proceedings No. (CS) B15-59905/76 dated 30-6-1978 of the Board of Revenue (CS).

1. Shri P. K. Krishna Pillai entered Government service as Lower Division Clerk on 13-5-1953. He got promotion to the grade of Upper Division on 27-4-1960. While working as Upper Division Clerk, he acquired graduate qualification in June 1962. According to the orders contained in G.O. (P) No. 114/73/Public (Services-D) Department dated 26-4-1973, Shri Krishna Pillai was eligible to get the benefit of the graduate non-graduate ratio of 1 : 1 in the matter of promotion from Upper Division to the supervisory post. Applying this principle, Government in the G. O. read as 1st paper above had given him promotion to the grade of Taluk Supply Officer on 16-9-1964.

2. In pursuance of the Judgment in O.P. No. 4048/74 dated 2-3-1977, Government after giving due notice and considering the claims and objections of the affected parties, including Shri P. K. Krishna Pillai cancelled G.O. (P) No 114/73/PD dated 26-4-1973 with retrospective effect as per the G.O. read as 2nd paper above.

3. Consequent to the cancellation of G. O. (P) No. 114/73/PD dated 26-4-1973, with retrospective effect, the graduate non-graduate ratio of 1 : 1 ceased to be in force in this Department on 7-12-1960 with the promotion of Shri K. S. Venugopal, the last graduate in the Department as on 1-11-1957. Therefore, Shri Krishna Pillai would not get promotion to the grade of Taluk Supply Officer on 16-9-1964. He would be getting promotion to the various grades on the following dates:

Upper Division	—	27-4-1960
Asst. Taluk Supply Officer	—	2-8-1962

4. The final integrated seniority list of regular Taluk Supply Officers/City Rationing Officers/Spl. Tahsildars/Superintendents of the Civil Supplies Department as on 1-8-1975 was published in the proceedings read as 3rd paper above, prior to the receipt of G.O. (P) No. 299/78/GAD dated 23-6-1978 in Board's Office. Therefore, Shri Krishna Pillai was shown as Sl. No. 3 in the final list basing on his promotion to the grade of Taluk Supply Officer on 16-9-1974 ordered in G O. (MS) No. 31/76/Fd. dated

27-11-1976. In the Board's Proceedings cited 3rd above, which assigned the seniority referred to above to Shri Krishna Pillai, it was mentioned that Government have proposed the cancellation of G. O. (P) 114/73/PD dated 26-4-1973 and that notices have been issued to all concerned. Notice was issued to Shri Krishna Pillai also and the orders in G.O. (MS) 299/78/GAD dated 23-6-1978 was issued after considering the representation of Shri Krishna Pillai, among other things. Consequent to the cancellation of G.O. (P) 114/76/Public (Services D) Department dated 26-4-1973, Shri Krishna Pillai is entitled to get rank No. 19 only in the final seniority list, as his promotion to the grade of Taluk Supply Officer has been changed to 9-4-1970.

5. In the circumstances, the final seniority list of regular Taluk Supply Officers/City Rationing Officers/Spl. Tahsildars/Superintendents of the Civil Supplies Department as on 1-8-1975 published in the Proceedings read as 3rd paper above is modified to the following extent:
